ParentView

It is highly likely that we will be receiving a visit from OFSTED in the next academic year. One of the main things that they look at in detail before coming into school is ParentView. They use this to help them form a judgement of what parents think about the school and therefore the responses you provide are very important. Currently we have 31 responses from parents on Parentview. Could I please encourage you to visit the ParentView page (see link below) and express your views.

Thank you for your support with this Mr Appleby

Lateness

Over this half term staff have noticed an increasing number of children who are arriving late to school. The main period this is happening is between 8.55 and 9.05am. I understand that this is only a small amount of time but this does quickly add up over the term. Children arriving late is disruptive for the class teacher and other children in the class. It is important that children arrive on time and in the right frame of mind to begin their school day.

Obviously there will be occasions where lateness is unavoidable and we appreciate when parents contact school to let us know. After half term we will be introducing a late book. **Parents must come into school with their child if they are late and complete the late book to register your child's arrival in school.**

Thank you
Mr Appleby

Celebration Worship

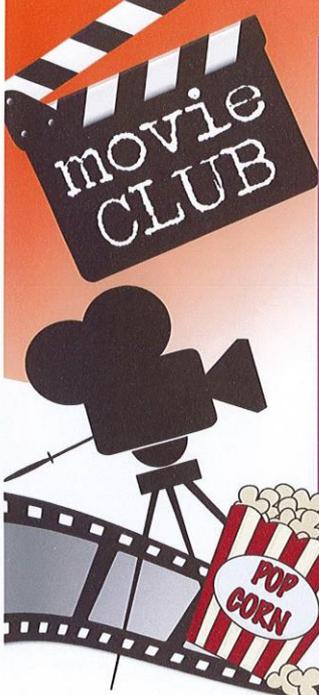

A big thank you to all of those who joined us in Celebration Worship this afternoon. As always it was great to see parents and grandparents celebrating our fantastic children's achievements.
