Please see attached the letter regarding our upcoming Summer Fair. This was a huge success last year due to your generous donations and support. If you feel you can help us this year with running a stall or donating items, we would really appreciate it. We are hoping for glorious weather and another lovely event with our children and families. Please can donations be handed in to the School Office. Thank you

### Homework Project

A reminder that the question for the homework project this half term is, **'What will our school be like in 50 years time?'** It would be amazing to see as many of our children taking part in this as possible. There will be an open afternoon to display project in the last week of term

### Phototronics

Whole school group photographs (classes, teams, leavers etc) will take place on Monday 24<sup>th</sup> June. Please can children be in full school uniform. Thank you.

### Athletics

On Thursday, many of our children took part in the Athletics Festival, which was held at Easington Colliery Primary School. Our Year 1 / 2 children attended in the morning and took part in a range of track and field events. Mrs Kirkwood commented that the children were fantastic, with the boys finishing in 5<sup>th</sup> place and the girls receiving a bronze medal (out of 28 schools). On the afternoon, some of our Year 5/6 children attended and were equally as fantastic. Matthew Delaney and Keiran Halliday have been selected to represent the county in July which I'm sure you'll agree is an amazing achievement.

### Ofsted

Thank you to all those parents and children who completed the online questionnaire. Following Mr Riozzi's visit the official report should be released within the next two weeks. Once this has been checked by myself a final copy will be issued to all parents before the end of term.

Thank you  
Mr Appleby

### Bottle tops

Miss Defty would like to thank everyone who helped with the bottle top collection. Miss Defty and her class, sorted the tops into colours this morning and did some fantastic maths work including guessing how many tops they had collected. Leon Thorburn had the closest guess to their final total of 2950 bottle tops ! They will now start work on their masterpiece ☺

On Tuesday, Miss Swan arranged for **Captain Chemistry** to come into school to raise the profile of real life science. The children spent two days on the theme of Mission to Mars. Children made and launched their own rockets as well a number of other exciting activities. All of our children thoroughly enjoyed this memorable experience and had a great time. We will definitely be trying to make Captain Chemistry an annual event!

## PTA Information

### Friday Night at the Movies

This event has now sold out! Thank you so much to everyone who has bought tickets and a huge thank you to Callum Osborne for organising it.

### School Lottery

Congratulations to **Dawn Corner** who is this week's winner

### Coffee and Cake Afternoon, Friday 28<sup>th</sup> June 2.30pm

Following Celebration Worship on Friday 28<sup>th</sup> June, the PTA would like to invite you to our Coffee Afternoon. This will take place on the school yard (weather permitting) straight after Celebration Worship.

Please could we ask for any donations of cakes, biscuits, pastries, tea, coffee, milk etc to be handed into the School Office on Thursday 27<sup>th</sup> June. We really do appreciate your amazing support with donations. Keep your fingers crossed for gorgeous weather and we hope to see families there for another lovely event.
