One of the main things that they look at in detail before coming into school is ParentView. They use this to help them form a judgement of what parents think about the school and therefore the responses you provide are very important. Currently we have 12 responses from parents on Parentview, the majority of which are historical. Could I please encourage you to visit the ParentView page (see link below) and express your views.

Some bags that children are bringing do not fit in school lockers which results in corridors looking untidy. Can I also request that children have two separate bags –one for PE kit and one for school work/homework.

Every class spent time with Chris learning different Bible stories in a fun, interactive child friendly way. He also did some work focusing on our school values of Forgiveness and Friendship. The teachers all spoke very highly of Chris and said the children had a fantastic day. Mr Appleby</p> <p>Family Friday Our first Family Friday of the term will take place on Friday 4th May. As always it would be great to see as many families as possible. It is always a fantastic morning so your support with this is much appreciated. Mr Churchill is particularly excited about experiencing his first Family Friday and meeting more parents and grandparents.</p>
