

### Dates for your diary

#### **Welcome back!**

On behalf of staff, governors and myself I would just like to welcome everyone back. A special welcome to our new Reception children who have settled so beautifully into our school. We really have missed everyone and it was great to see some familiar faces this week. Thank you for your co-operation and support with drop off and collection times which has resulted in a smooth transition back into school. We are so proud of our wonderful children, they have simply been amazing and you would never think that most of them have not been in school since March. Everyone in school has been so settled and happy which has resulted in a calm, warm atmosphere.

The Autumn Term will be challenging at times. As you are aware, a huge part of our school ethos is welcoming families through our doors for various events and celebrations. Sadly, we cannot offer this at this moment in time but we will be sharing the fantastic things we are doing in school via our newsletter and our website in the coming weeks. As soon as parents are allowed to come back into school, please be reassured that all of our fantastic events will be reintroduced immediately.

#### **Welcome letters**

Today teachers have sent welcome letters to all families. The purpose of the letters are:

- To introduce themselves as your child's class teacher
- To welcome both parents and children back into school
- To provide an overview of the teaching and learning that will take place in the Autumn Term
- How parents can support with their children's learning at home

I hope you find the letters informative and useful. If you have any questions or queries, please do not hesitate to contact your child's class teacher.

#### **Before and After School Provision**

We are delighted to confirm that our before and after school provision will begin next week. Thank you to all of those parents who have shown an interest in this. I am confident this provision will provide much needed support to some of our families. A letter has been sent out today confirming places for children. If you have any questions or queries regarding this new provision, please do not hesitate to contact the school office.

#### **PE**

Mr. Churchill will be providing an overview of PE for the Autumn Term in the **News section of the school website**. As a school, we are passionate about the delivery of PE. Any questions regarding the content of this please speak to either Mr. Churchill or myself.

#### **Autumn Term Planning**

Next week, planning for each class for the first half of the Autumn Term (next 7 weeks) will be available on the school website. When it is available, Mrs Bowden-Stoker will send a text out to parents with a link to follow. This will enable you to view exactly what your children will be learning in class in different subjects over the Autumn Term.

#### **Class names**

This year we are going to allocate each class a name rather than referring to them as 'Mr. Churchill's Class' or 'Year 5/6' etc. We have decided to name each class after a tree due to the beautiful setting we are in here at Easington Village. Our school is surrounded by a variety of beautiful trees, which change throughout the seasons. The class names will be chosen next week by the children and will be shared with parents in next week's newsletter.

#### **Uniform**

Please can I remind you about the expectations around school uniform. We do not allow pupils to wear jewellery at school (bracelets, necklaces, earrings) due to the risk of accident and injury. In the case of newly pierced ears, these can be worn for 6 weeks but must be covered during P.E. and playtimes.
