Hope and Faith have collected extra food when they help their Mam to do the weekly shopping. This is to be donated to the food bank! They are going to do a reverse advent calendar on lead up to Christmas! We are so proud of you both! It is such a thoughtful thing to do. Well done.

*If children do something nice/kind/above and beyond at home/outside of school, parents can take a photo of it and email it to school. The photos will then be printed and put in the Random Act of Kindness book and shared in our Newsletter.*

### Christmas Activities

Today your child will have brought home a Christmas Events pack. The pack is quite large; however, we thought it would be easier for families to be able to plan for what will be a busy month.

Thank you to everyone for always supporting everything we do in school; it is truly amazing. We are looking forward to this exciting time of year (even though it will be a little different this year).

Mrs Bowden-Stoker

### Cross Country

A massive well done to all those who participated. The Year 5/6 boys placed fifth out of over 20 schools and the Year 3/4 girls were second overall. A special mention for Tamzin Colles who finished second in the individual event out of all the Year 4 girls across the schools that competed. It was also commented upon that behaviour and effort from everyone that took part was exemplary.

### Cold Weather

As the days are starting to become colder, please could we ask that children come to school with suitable winter coats, hats, gloves etc. Where possible, we will still be going outside for break times for children to get some fresh air. Also, please can you ensure that children, particularly in KS2, wear PE kit that is appropriate for outdoor activities as we will continue to take lessons outdoors for as long as possible.
